#### Airbus delivers helicopters to Iraq Ministry of Oil

**Donauwörth, 28 June 2017** – Last month, Airbus delivered the final two of four H145 helicopters ordered by the Iraq Ministry of Oil. The contract with the South Oil Company, a government owned company of the Iraqi Ministry of Oil, was signed in June 2014. The Iraqi Ministry of Oil has selected Airbus as its helicopter provider for its aviation department. The aircraft will be mainly operated from Baghdad and in the province of Basrah, supporting a variety of missions including surveillance, EMS and Passenger Transport.

#### About Airbus

Airbus is a global leader in aeronautics, space and related services. In 2016, it generated revenues of €67 billion and employed a workforce of around 134,000. Airbus offers the most comprehensive range of passenger airliners from 100 to more than 600 seats. Airbus is also a European leader providing tanker, combat, transport and mission aircraft, as well as Europe's number one space enterprise and the world's second largest space business. In helicopters, Airbus provides the most efficient civil and military rotorcraft solutions worldwide.
